Cleaners  
LAUNDRY SERVICES

Date: \_\_\_\_\_,

This agreement is made by & between University Cleaners & \_\_\_\_\_. By this agreement, I authorize University Cleaners to process any & all clothing I place in my laundry duffel regardless of cleaning instructions from the garment manufacturer. This agreement releases University Cleaners from liability due to potential damage caused by cleaning any garment against manufacturer instructions.

University Cleaners will continue to have the authority to remove a garment from the duffel & return to the customer dirty should their professional opinion be that washing & drying the garment will undoubtedly create irreparable damage. Any changes to this agreement must be made in writing to University Cleaners.
